book PDF Download

Photographic: The Life of Graciela Iturbide Graciela Iturbide was born in MÃ©xico City in 1942, the oldest of 13 children. When tragedy struck Iturbide as a young mother, she turned to photography for solace and understanding. From then on Iturbide embarked on a photographic journey that has taken her throughout her native MÃ©xico, from the Sonora Desert to JuchitÃ¡n to Frida Kahlo's bathroom, to the United States, India, and beyond. Photographic is a symbolic, poetic, and deeply personal graphic biography of this iconic photographer. Iturbide's journey will excite readers of all ages as well as budding photographers, who will be inspired by her resolve, talent, and curiosity.
